Involvement Matters Parent Volunteer Hours

Studies have shown that when parents are involved with their child's education, they perform better. Parent volunteers are valuable and help keep a school running smoothly with field trips, bake sales, parties, and other miscellaneous help.

Parents are required to volunteer 15 hours per family for the _____ school year. Alternatively, a fee of \$150 will need to be paid during registration if you opt out of volunteering. It will be the parent's responsibility to fulfill these hours and log them in at the office. If a parent has unused hours, they **must pay** \$10 per hour. This will need to be paid by the end of the school year.
